The Premises:

Unit 8 is a modern building-formerly a bakery- in a secluded cup-de-sac. Ample parking. This is the best parlour I have visited, spacious and spotlessly clean bedrooms and very well equipped. The lounge has comfortable sofas, TV, sauna and pool table.

The Lady:

Katie is about five foot eight with an ample figure, around 30 years of age. She is described as being of mixed race on the website which is accurate.

The Story:

I will be honest and tell you that there were two ladies available that Sunday evening and I was not wearing my spectacles when I chose Katie. However I do not regret the error and had a fantastic half hour. I was undressed by the time Katie entered the room wearing white lacy lingerie which contrasted well with her dark skin. She had a warm smile and as she removed her bra I was stunned at the size of her breasts. They were magnificent and as I later realised, they were natural. No silicon !

She laid on the bed beside me and asked what I liked and if there was anything I did not like. I told her she was my Christmas present and that I was game for anything. She laughed at this and began to stroke my body, caressing my balls gently.

I cupped those gorgeous tits alternately, and sucked on her nipples. After a while she rolled over and climbed on top of me, kissing me first on my lips and neck before moving down towards my groin. As she did so she dusted my torso with her tits and and by the time she reached my groin an erection waited for her mouth. She gave me a beautiful OWO and knew just when to stop.

Katie rolled off me and I leaned across and kissed her body from head to pussy then realised she had panties on.

I asked her to remove these and she told me to take them off. I had some difficulty around her feet as she had high heeled red shoes on !

I then did a spell of pussy licking and gave Katie some pleasure. She was well shaven which I like. Being more than ready Katie put on my condom and I fucked her doggy style which she said was her favourite position...mine too ! I stood at the base of the bed and I really enjoyed ramming into her for several minutes. I heard her squeals of delight as I climaxed forcefully.

I climbed back onto the bed and we both relaxed happily. Katie cleaned me up and we fondled a little longer-both exhausted. I felt so good at 75-quite proud of my libido!

A well spent Christmas pressie !

Unit 8 always serves me well and Katie waited for me to dress, offered me a drink, then kissed me as left the premises.
