### The Premises:

Bay Babes is an unmarked premises accessed from a busy pedestrian lane. The outer door is open during business hours and admittance to reception is controlled by reception in response to buzzer. Plenty of pay and display parking is available nearby and time limited street parking is also available. Lady is usually in her dressing room if not engaged and enters reception so that clients can assess her suitability. If she is engaged there is a comfortable sofa in reception to wait until she comes downstairs. Receptionist takes clients upstairs to the room which is clean and warm with subdued lighting and a clean double bed.

The only down side to the premises is that clients walk out into the pedestrian lane without being able to see who might be walking past as they leave the premises.

### The Lady:

Summer is a BIG white English girl with a friendly attitude, dark hair and is about 5' 5" tall with dark hair and a smiley face.

She speaks with a Liverpool accent.

### The Story:

Summer knocked on the door as she entered the room and I was already naked but not fully hard. She was wearing a bra and panties and asked what service I wanted, which we agreed was a standard full service. Summer asked me to lie face down on the bed and started a neck to toe massage whilst we chatted. She then asked me to turn over and she lay down beside me and played with my cock to ensure it was fully hard. She then licked and sucked by scrotum and cock shaft whilst I played with her tits and nipples. We then had a good French kissing session before I sucked her nipples and worked my way down to lick and suck her juicy pussy. After a few minutes of this Summer placed a condom on my cock using her lips and mouth and gave me a great blow job. I then entered her and had a lovely fuck before cumming. We then uncoupled and chatted whilst we cleaned up and dressed.
