The Premises:

Met Evey at Temptations parlor in Flint. Parking is easy, either on the road directly opposite the establishment, or in the supermarket car park about 100yards away. The area is very safe and the parlor entrance is very discreet. Temptations, as always, was spotlessly clean and the room, the third different room I have had here, was very well appointed, comfortable, welcoming and warm as I have come to expect of this first rate parlor. Excellent shower facilities available throughout my visit.

The Lady:

Evey is a beautiful, well spoken, polite and friendly white English lady, I would guess in her early thirties, of average height, shoulder length fair hair which she wore down to start off with and tied back later on, with a stunning figure, lovely soft skin and a magnificent pair of boobs. Conversation with her is easy and there were no awkward silences at any time during my time with her. I paid £130 for an hour with Evey, £30 of which was for extras and was well worth the money.

The Story:

To start off with we had a very enjoyable kissing and cuddling session before Evey gave me a lovely, relaxing massage with plenty of time spent with Evey rubbing her magnificent breasts into my back and nuzzling and kissing my neck. Then it was my turn to pleasure Evey. Her breasts are extremely sensitive and after paying them due attention I worked my way down her body and began to gently rub her clit. In no time at all Evey was very, very wet and had a really strong orgasm with her body shuddering and her legs strongly gripping my body. She then said it was time for her to concentrate on me. She gave me the most amazing oral, constantly spitting on my cock as she looked into my eyes, as I watched it disappearing deep into her mouth. It was some of the best oral I have had in a long time. I then returned the favour, which again ended in Evey having another very strong orgasm. Her clit is another of her very sensitive areas. It was then time for the condom to go on and for Evey to mount me cowgirl. It was wonderful to watch her magnificent breasts as she vigorously rode me. Then it was into doggy, with the added pleasure of watching this in the mirror over the back of the bed. Evey then finished me off with hand relief, after first asking me which was the most sensitive part of my cock. I have never had a girl ask that before and this shows how good Evey is at what she does. We finished off with a lovely kiss, cuddle and chat before I showered, dressed and left. This was Evey's first day at Temptations and I hope that she will be back there. She wasn't sure if she would as, although she liked the place and the people, it was a long trip there for her from her home in Leeds. If she does return I will most certainly be first back to see this

gorgeous attentive lady again. Thanks Evey xxx
