The Premises:

Basement flat close to Victoria coach station. Small room containing only bed and mirror.

The Lady:

Photos on website are accurate, though hair straight now with the blonde highlights mostly grown out. Breasts are fake and not particularly well done, a little lumpy, otherwise a fantastic tall, slim, toned body. Pretty face in a Katherine Ryan type of way. Hasn't quite got that super-sexy Brazilian accent, unfortunately, but completely fluent in English.

The Story:

Shower was offered on arrival, but not insisted upon. Genuinely enthusiastic dfk, often initiated by Valentina. Always friendly, if a little bossy - changes of position were mostly decided by her. All the usual basic services were provided with reasonable skill and enthusiasm. Good eye contact during the OWO. Porn star-style moans seemed a bit fake, but at least she was making the effort. Overall, definitely recommended.
