The Premises:

Superb modern terraced house in new development. Plenty of free parking at the time I went. Luxuriously furnished in modern style.

The Lady:

I was attracted by the photo of Keleigh (pronounced 'kayleigh') on the Annabella's site bending over with her boobs hanging down. And wow how lovely in real life. Brunette, pretty face, cuddly and possessing a very inviting cleavage. She's 21, English from up north.

The Story:

I was the last appointment for the day as they close at 8:45. Keleigh was as bubbly and bouncy as if the day has only just started. Having got the paperwork done I set about making myself at home straight away. Isn't it nice when the girl does not go out of the room while you undress? This meant that Keleigh could assist with the undressing while engaging in passionate kissing, both of us groping each other. Slipping a hand in her bra and being reassured that the goods are real told me this is gonna be a fun.

Keleigh has a sixth sense, she knows exactly what I wanted although it was my first time with her, and the first time at Annabella's. Always either DFK, or she would offer her boobs for me to devour, nipples to suck, or OWO. When she started running her fingers lightly around my arse I was in heaven. This was unexpected. Keleigh did everything I asked for, with great enthusiasm. Finished with a wank over her boobs.

While I was there I had a brief glimpse of Pixie (who I saw at HoD a few years ago) and a new girl Danni, petite and large boobs. Both are on my list.

I expect Keleigh will be my new R&R (regular and reliable) punt. The trip to MK is well worth it.
