The Premises:

Jasmine is located about a 6 minute walk from Whitechapel tube station. It is a modern flat with shower facilities. Entry is via intercom and you are buzzed in.

The Lady:

A very friendly and intelligent young Hungarian girl with full B cup breasts.

The Story:

Another tantric massage service performed on a table which I prefer. The massage was extremely good and seemed more professional than most I've received. There was a soothing music tape playing in the background and it would have been easy to drift off. The massage became more sensual and the turnover moment arrived. Jasmine removed her bra and I had a very enjoyable time caressing her firm breasts while she stroked me to a very satisfying orgasm.
