The Premises:

New Flat near the usual Annabella's premises across from the shopping centre. Modern, clean, and discreet.

The Lady:

Ella no longer has black hair, and is a little heavier than her pics - more a size 12. I would say that she is girl next door type, not a stunner, but one who is pretty and you would love to fuck. Great ass and boobs.

The Story:

After a couple of disappointing punts with British girls at Annabellas, I was taken with Ella's pictures and after seeing the fabulous twitpic of her tits, the decision was made.

Comm's were easy as usual and on arrival at a new flat near the shopping centre, I was shown to a large clean room. Ella entered shortly after, confirming which services I had specifically asked for and any other services that I was looking for. From this point I had a good feeling that I would actually get what I had booked for, instead of the line that previous British ladies had trotted out "I haven't done that before.... etc". The only down side was that as I was 10 mins late, she had a appt after me, so we had to get down to business.

All services were available as per her profile. DFK, OWO, Deep Throat, Role Play and light Domination were all provided with enthusiasm and no holding back. I had specifically asked for some strap on fun, and to my delight Ella proceeded to royally bugger me whilst spanking my ass. After a bit of RO and more deep OWO, I covered her ample charms with my special love paste. After a clean up and chat, Ella offered a massage which was good, before attempting to rouse the old chap for another round. I was spent from earlier and could not rise to the occasion.

All in, it was a great punt to start the year and I would recommend her to others and could be tempted to arrange a two girl with her and Renata.
