The Lady:

Christine is a well fit 45 year old highly sexed english woman who is 5' 5" toned body which is to die for. Not many woman of her age have the body of a 30ish year old woman she is nicely tattooed around her pussy which is great, first time i have seen such a nice tight pussy. She has blonde shortish hair and very firm boobs.

The Story:

Christine took nice care of me after the usual preliminaries, she went down on my cock giving me such a nice blow job. Then it was her on her knees and she presented such a nice pussy to fuck, after she put on the necessary cover. It was all over to quickly with me cumming on her tits. She is one honry woman who knows how to please her men. Will be back for more from this very friendly girl, but will need to book next time as she seems to be busy, hence the half hour rather than the hour I would preferred and to take up more of what she has on offer.
