GFE Sheffield is a great place, great facilities inside and friendly and welcoming staff

The Lady:

Brooke is a gorgeous woman with sun kissed skin and a very friendly personality. She's also changed her hair colour to Blonde which is different from her photos

The Story:

You now have to have a membership number to book a girl at GFE, I was unaware of this and so arrived without pre-booking. I had had a look at the girls working that day and had a girl in mind. However when I was introduced to Brooke I was completely won over by her smiling, bubbly personality that I immediately decided I wanted to be with her instead.

For starters let me say that WOW! what a woman, she has the body of an angel and a heartwarming smile. I was taken to the room we would be using, I was more than happy to follow on behind her watching that mouth-watering ass of hers wiggle up the stairs, and hopped in the shower. Brooke returned five minutes later and asked if I wanted a massage, to which I agreed. Afterwards she was all sweet smiles as I asked her to lie down on her front, now I adore caressing a gorgeous woman's body and to my delight Brooke told me she LOVES to be sensually caressed so I knew things could only get more wonderful. I moved my fingers across her warm, sun-kissed flesh as Brooke closed her eyes and allowed herself to become totally relaxed under my touch. No fake moaning from this girl, just soft sexy coos which turned me on even more. I planted soft kisses upon her back and then asked her to turn over, her sweet flower was begging for some attention and I would've been mad to resist. Brooke loved my tongue pushing past her lips and my hands cupping and rubbing her breasts at the same time, again there were sweet gentle moans which told me she was enjoying it all. She tasted ever so sweet and delicious.

I then asked her to give me OW which she was more than happy to do. Brooke's oral skills are simply incredible, all the time it was as if my cock was being caressed by silk it was truly wonderful. On with the condom and she straddled me, bouncing up and down on me moaning and kissing my cheek, neck and forehead. As she leaned back with myself still inside her, I looked up to see a sight

I will treasure for the rest of my life. A smiling goddess with beautiful golden hair looking right into my eyes. I moved into a sitting position as Brooke wrapped her arms and legs around me and there we sat for a few minutes in pure ecstasy. My hands moving across her body and hers running through my hair. I don't think she liked kissing on the lips all that much, perhaps because this was our first time together, but as our encounter went on she didn't seem to mind so much. I was feeling so close at this point and wanted to finish inside her. She lay down on her back and raised her legs at both side of me, after five blissful minutes I had erupted. Brooke and I were both smiling with happiness at this point and since there was about five minutes left I asked if we could cuddle. That was music to her ears as Brooke told me she LOVES cuddles. I was so happy to hear that as I always try to cuddle with a girl after sex. It was heavenly to be with a woman who enjoys the same things regarding sex as myself. We had such a good time that even whilst showering we were chatting to each other about this and that, we even went over the time allowed but neither of us were concerned. We hugged and kissed goodbye and I said I would see her again in the not too distant future.

Brooke is an absolute angel, warm, bubbly and very charming. So do i recommend her? 110% YES! Be respectful, polite and charming and she'll give you a little slice of heaven.
