The Lady:

Tallish (5ft9), with attractive girl-next-door look, nice figure - combination of slender and curvy. Very easy-going, talkative and friendly in a natural and unforced way. Slight Russian accent but excellent command of English.

The Story:

Renata answered the door wearing very fetching red undies and red fishnets. When I said how cold it was outside she offered to make me a hot cup of tea. After I politely declined she removed her bra and asked if I would like to warm my hands up by placing them on her breasts. This was an offer I couldn't refuse! I then had a delightful half hour with this bright, friendly, sexy lady. One of the friendliest escorts I've ever met, she would be ideal for a first-time or inexperienced punter. All in all an absolute gem and deserves to be treated with respect.
