The Story:

Zara arrived at my hotel at 815 pm and I was pleasantly surprised how comfortable she seemed. We had a glass of wine, chatted and laughed and then she got changed into the slutty little dress I had requested her to bring along with her assortment of sex toys. I ordered her on her knees and she took my cock out and sucked it then I spanked her ass. I then tied her spreadeagled to the bed while I remained clothed and used a wand on her pussy. She liked this and moaned excitedly thanking me over and over calling me sir as I requested. I then took a glass dildo which she also brought with her and fucked her ass at the same time making her moan and cum. This loosened her pussy up to such an extent that after fingering her for 15 minutes, I fitted my whole fist up her! After this I untied her, bent her over my knee and gave her a good spanking. I then stripped, put on a condom and fucked her pussy and ass over and over til I came. We had a rest in bed with a glass of wine and cuddled up as we tested. Next I told her to suck my cock, pushing her head down til she gagged and then releasing her head to let her get on with it before I lay on top of her and fucked her mouth. Zara was very sexy and submissive and seemed to enjoy our experience as much as I did. We had just over an hours sleep at 3 am and I woke her to use her continually as I pleased until she left at 815 am to get her taxi. I will definitely be hiring this sexy, voluptuous, kinky, intelligent lady again. If you want a hardcore submissive girl to use, then look no further.
