The Premises:

Excellent, perfect studio flat 5 mins from South Ken tube. Ideal for the purpose, large bed with huge mirror a nice addition to the amenities!

The Lady:

Alice's photos on Maxes are in fact a good guide. I say this with many years experience of being exasperated by the disconnect between photos and the girl (and the chronic myopia of many reviewers!). I can say with some certainty that to my taste Alice is in the top 5 of the great many girls I have fucked.

Her manner is quite cool, though she is a really nice friendly girl with a refined approach. This was my 6th visit and I like her more and more.

The Story:

Alice has exceptionally good taste in lingerie and so when the door closed and my eyes fell upon her, I felt a surge of lust at the prospect of having sex with this beautiful girl. She starts quite formally offering you a seat and a drink and then after a short chat the use of the bathroom etc. Frankly I like my girl to greet me with a full on french kiss, wandering hands and enticement to come and fuck, and fuck hard! (for the proponent of this art see Ashley at Maxes).

Screwing with Alice is a more discerning affair (dont expect dep french kissing and coming in her mouth). The wonderful thing about fucking with Alice is that, done right, she loves it and comes during the session, often more than once. I have been doing this long enough now to tell the difference between the real thing and a great performance!(an intense flush is a good clue!)

The huge mirror by the bed, actually more glazed double doors, enables you to watch yourself drive your engorged cock into Alice's pussy while kneeling behind her. Alice in her lingerie and high heels, locking eyes with you and encouraging you to enjoy the ecstasy of the contact will stick in your mind for a long time afterwards!

Alice is a gem. Fucking her is a joy, however dont expect a raunchy, frenzied filthy

fuckaramma..... there are several girls at Maxes who will sell you that experience.

Hi Alice I hope you dont find this review too frank! I will be seeing you again soon xxxxxxxx Joe
