The Premises:

Discreet property down a residential street. Parking available nearby. The property itself is very clean and well maintained with actual fresh towels. The shower is very spacious stocked with a variety of toiletries.

The Lady:

Gina is a lot taller than I had imagined, she has wonderful curves, great thighs and breasts. Blonde hair and mesmerising black eyes. In her 20s and extremely polite.

The Story:

I was in the area when I dropped Gina a line, she said she could see me. I opted for a massage which was very well executed. Often when you ask for a full body massage you get a slapdash attempt at something, but this was the real deal with hot oil and skill. Later, I turned over, Gina proceeded to suck, she's very good at it. I opted we move on to missionary and she puts a lot of effort in to it. Once I was done, I was offered a shower and then with a hug and a kiss shown to the door. Definitely worth visiting if you are about.
