The Story:

Didnt book and it was a quiet day at GFE so i had four girls come out to greet me, Kiera caught my attention and so i chose her.

Was escorted up to the room and offered a shower, however i was asked to pay upfront this time which was a first but I didnt mind that. Had the shower, hopped onto the bed and waited. Kiera entered and lay down next to me, she has beautiful breasts that begged for attention and within seconds my lips were kissing and sucking upon them. Next i asked her to lie down on her chest and began to plant gentle kisses upon her, she liked that, but what she didnt like was when i began to play with her beautiful arse. She told me she "didnt like people playing with her ass" and out of respect for her wishes i complied. Shame though because she has such a gorgeous behind. So look but dont touch, lads. I then asked her to turn over and proceeded to give her oral whilst caressing her. She REALLY enjoys behind touched and caressed, and judging by her beaming smile i could tell she was being honest about it. Kiera is also a very good kisser, not many of the girls are keen on kissing but Kiera was up for it.

Now to be completely honest, for some reason today i just wasnt feeling "up to it" for lack of a better phrase. Kiera could sense that but was polite about it, still though i just managed to get hard enough for her to put the condom on. She straddled me and began to rock back and forth before bobbing up and down on me. We were like that for a good ten minutes or so before i felt the urge to cum. Once done we spent the remaining ten minutes or so cuddling. Kiera really enjoyed this, she felt so relaxed and peaceful within my arms that she was struggling not to fall asleep which was very sweet. I dont think Kiera gets enough cuddles and that's a great shame, so guys next time you are with her take some time to cuddle with her...it'll really make her happy. Infact so happy was she that we even went over the time allowed, which she told me could possibly get girls into trouble if

that occurs. So i decided not to waste time with a shower, gave her a tip and was on my way.

Had i been feeling more "up to it" i think things would have gone a little better, but that was not Kiera's fault. She's a gorgeous woman and I hope to see her again soon.
