The Premises:

As reviewed plenty of times nice and discrete, although when leaving passed another punter going in but no biggy just gave each other the knowing nod.

The Lady:

Wow really looks just like her pics, bubbly, and a lovely girl

The Story:

Been here a few times now and each time very different experiences all great though. I wasn't really ready for Elise though but had a good go!!

I got out the shower with her lying on the bed inviting me over in her very sexy voice "come here you naughty boy" ok so over I go before I could say u I we were at it DFK for what seemed like ages hands were everywher, then on to OWO which was great, Elise has great technique!!

Them for some RO again what seemed like ages she tastes amazing and c would have stayed there for ages, more OWO an 69, covered up and CG until I popped wow could Bradley catch my breath, and then for Elise to try for a second pop wanking me a almost got there too but ran out of time !!

An amazing time with a very sexy and horney lady, Elise was great and will see her again as loved her so much, maybe 2 girl next time with Elise and katleen my word what a day that would be !!

Thank you Elise!! Xx
