The Premises:

Cheap chain hotel. Key card required for access to floor, so she met me by the lift. After I had to wait several minutes, in view of the cleaning staff. Who I'm sure could not have cared less, but I didn't care for that.

The Lady:

Beautiful, with spectacular enhanced tits, and she matched her photos closely. Totally unsmiling though, and refused to chat about anything despite having very good English.

The Story:

The upside: she did me twice within 30 minutes, using her mouth the first time (including CIM) and a hand-mouth combination the second time.

The downside: she was as cold as is possible without actually refusing to do the things I was paying her to do, and which she advertised. Finally I asked her to tell me about something that makes her smile; "Good question" was her only answer. Something beautiful about Romania (yes, she's Romanian...)? Too much trouble.

She should not be doing this job.
