The Premises:

Apartment above shops about half mile from town centre. Nicely decorated room with shower unit in corner clean and tidy.

The Lady:

Millie is a young looking brunette with a very pretty face with gorgeous blue eyes and has a wicked smile. A real girl-next-door type (at least the sort you'd want to live next door to). She is petite in size, but has nice curves and beautifully shaped boobs and flawless skin.

The Story:

Millie is described as a schoolgirl type; fun, fit and friendly. I noted that she included spanking and sub in her services, and having seen her pix decided she'd be ideal for my schoolgirl spank fantasy.

She started with a passionate kiss and we then proceeded to the chair. She sat on my lap facing me, and lots more kissing followed. I told her what I would like to do, which was to give her a little play spank, followed by a GFE, which she seemed happy with.

She then bent over the bed, I raised her skirt and administered the spanking. Probably about a dozen, and not too hard, as I'm too much of a softy. I fondled her through her panties during the process before I took them down and fingered her pussy, which was already wet. I asked her to turn round and lie on the bed so I could lick her pussy. I knelt between her thighs and got straight to it. She was very responsive and then pulled my head away to give me a proper good snog. I assumed she'd enjoyed it!

It was now my turn to be the recipient. We fully undressed and I lay back on the bed. She was complimentary about my cock, which was nice. Kissing cuddling to start before some OWO. That was really good. She went deep down on my shaft and it was nice to feel her long hair on my body at the same time.

I suggested that she climbed on top, which she did, and started with a nice slow rhythm. She has lovely boobs, and I couldn't resist sitting up to give them some attention. She seemed to like this

and soon quickened the pace on my cock, and I soon realised that the little minx was bringing herself off. She then paused for a few moments before pushing me back on the bed and starting again. I don't think I've ever been ridden so hard before, and this time we both came.

We were still cleaning up when the maid knocked on the door to say time up.

Millie is a real cutie was definitely a lot of fun. She seemed to enjoy our meeting and smiled throughout. We seemed to click right away and I would definitely like to see her again sometime soon
