The Lady:

I thought Charlotte was very attractive but I do like tall leggy girls with classic good looks.

The Story:

I hadn't been with a woman since my divorce and I knew emotionally I would be all over the place. Charlotte was very friendly and did her best to put me at ease. She made a real effort to engage me in conversation though I was a little withdrawn. After the massage Charlotte gave me very nice oral, but I came after 2 mins when I still had a semi. The lady couldn't have been nicer about things and I felt very comfortable throughout.

The reason I am writing this review is that if you are a bit nervous about going to see a girl or you are wanting a human experience with someone who is easy to talk to then Charlotte is ideal. She is clearly a people person who tries to make her clients feel comfortable. I can't testify to her skills, she might be a wildcat for all I know, as I didn't get that far.

From my point of view it was a good experience which hopefully will help me move on with my life.
