The Premises:

From the outside it is a discrete apartment very close to Earls Court. However, once the door opens ... you are in a paradise of mirrors, lights, toys and sex.

The Lady:

I had read much about Zizzi and was not sure if all the reality would live up to the hype.

As soon as she opened the door - I knew I was going to have a great time. She immediately greeted me like an old friend, and then greeted my other friend! She is tiny but oh so sexy.

The Story:

It was honestly one of the best hours of my life. She was charming, sexy, and made me feel like a king.

We started with a shared shower where we got playful; she made sure I was VERY clean and then helped me dry off.

We then moved to the leather lounge bed by the wall of mirrors where she covered my face with my tiny skirt and proceeded to rim me, suck my balls and eventually give me an amazing BJ. It was then her turn to lie on the lounge bed as she stuck her legs in the air and told me to fuck her, which I happily obliged.

We then moved to the bed and proceeded to do anal for a good 10-15 mins, which was heaven. I eventually couldn't take it anymore and came ...

She cleaned me up and gave me a glorious massage whilst we chatted about life, sex, work, travel. She is really a great person to spend time with; I so wish that the other girls in the industry had an ounce of the charm and service of Zizzi.

I will be going back for more!
