The Lady:

Sonia is slightly above average height about 5'7 5'8 and looks exactly like she does in the photos. She is a really attractive girl and in my opinion the perfect figure, slim but with a bit of meat in all the right places.

The Story:

I really enjoyed my evening with Sonia. She arrived bang on time, was wearing a plunging dress showing off her very large breasts. She didn't speak the best English but we hit it off straight away and she was smiling from the moment we met until the moment she left. It wasn't the best sex I've had but id definitely book her again for her stunning looks and great attitude.
