The Story:

I think this was an off day for me. She was very nice and gave me a lot of pleasure, but I didn't come. Firstly the condom was too tight. Secondly I did not refrain from 'self abuse' for a few days before.

I wanted to see Amanda because of all her really great reviews and it was something of a disappointment. I don't usually pay £200 so maybe I was expecting something extra.

I feel that must have been my fault rather than hers
