The Lady:

Two girls available but I went with Elise. She has a great body, very slim but with a wonderful bum. She also has a very cute Polish accent and a great smile. I wouldn't like to guess her age but she made me feel like a teenager. Fantastic breasts with great nipples.

The Story:

Elise wasted no time in stripping and straddling me for a skin to skin massage which was very intimate. Then she turned me over for covered oral. Wow. Elise took me deep and almost had me explode, something I rarely do with oral. She must have sensed this so finished and started rubbing her breasts across my face and chest, then she got on top of me and I got to watch her amazing ass in the mirror. I loved how she kissed my neck and chest at the same time as driving herself onto me. We finished with her on her knees and me behind. Stunning.

After we spent some time chatting which I loved. Elise is beautiful girl who'll make you feel a bit special.
