As described, pictures are accurate.

Petite, lovely long dark hair.

If those breasts are natural, they're incredible!!!

If surgically enhanced, well, they're incredible!!!

Tight little rack and such a firm ass...

Adelle has some reviews available with respect to the Bury/Manchester parlour, so check them out.

The Story:

Ok, so I'm not a hardened punter, but this could become an addictive habit, (hopefully my limited budget will keep me under control).

Only my second visit to a parlour, my first here, the receptionist greeted and made me welcome, offered my choice of drink. There were only three of the advertised girls working at the time of my visit, one of whom was busy, Adelle introduced herself first then a short time later Brooke, (she was freshening up). Both girls ticked my boxes but I chose Adelle, and followed her up the famous staircase.

Now I could say I had a wonderful time, and that what went on in the room stays in the room, but doesn't that defy the point of this site?

Formalities were dealt with, she then left and returned to the room, I had only stripped off my shirt, shoes and socks by this point and was perched on the edge of the bed. Not much chit chat, down to me I think, I was keen! And felt at ease, so straight in for some kissing and caressing. After a short time she suggested it was time to free my cock. I quickly removed my pants, and she her lingerie, more kissing and fondling, before she reclined onto the bed and invited me to join her.

Again, her breasts are awesome!!!

After a time she moved to begin administering some oral on me. This was great, deep, sloppy,

enthusiastic, (I think she throated me?), alternating with firm stroking, licking and sucking on my balls and my perineum too, in fact this may have bordered on rimming?! *thumbup*
Adelle asked me if it was time for a hat and she climbed on top to ride me, again I helped myself to handfuls of her breasts and ass! Next I entered her from behind, OMG, her pussy felt so good and the sight of her ass! Well, it didn't take long before I felt the sap rising!

You know I had to glaze those beauties right?

Adelle was most accommodating, and then enthusiastically sucked the last drops from the deepest recesses of my balls.

Afterwards, she cleaned herself up, offered me a back rub and we had a nice chat!

I do so hope she enjoyed our time together at least half as much as I.

And if you read this Adelle, Thank you, no really.
