The Premises:

Londonretreat is a very nice place. Very clean and discreet basement flat in a nice and safe area. A very busy place but the maid is very friendly and will sort you out. There are two bedrooms. One is like a dungeon and the other a "normal" room.

The Lady:

Chantelle is a very beautiful and sexy lady. She seems to be in her mid 20's with long blonde hair. If you liked her photo's in the website then you will love her. She has a very nice body with excellent tits. She is very friendly and I think she has a nice personality. I really liked her and that's the reason I saw her twice within a week. This place and the ladies are worth the 100 pounds spent. It's a no rush place different from what you know.

The Story:

When I visited the londonretreat the first time I was met by the maid and she guided me to wait in a room. Chantelle found me there in less than 5 min. We had a little chat about what I wanted to do and then she guided me to the dungeon room where she told me to undress and wait. Chantelle came back very shortly. I asked for tie and tease a little spanking and sex at the end. She attached to the famous cross and she started teasing me with her tongue and hands. She did a very good covered BJ. Generally tie n tease was a turn on. Then she released me from the cross and made me kneel on the bed. She used her hand and a pad to spank me. Then I was ordered to please her with my tongue. and then we had sex. She was very good and I was really impressed by the eye contact. She was looking into my eyes the whole session. The second time that I visited her I asked for the same things but this time it was much much better than the first time. I won't get into details but she seemed to enjoy it more. She made the right noises and want to ask her did you really cum? :) Well Chantelle thanks about the great time and I look forward to meet you again the next time I will visit the UK. Hope to see you soon.
