The Premises:

Very clean, comfortable apartment within the Sloane Square area. Shower facilities were immaculate and the location had a safe and very comfortable feel.

The Lady:

Very attractive British born lady of mixed Indian and Arabic heritage, accurate to photos. She possessed a stunning figure with exotic features to match upon meeting her in person.

The Story:

I had a very positive experience with Anaya from Allure a week ago. She truly is a stunning and very exotic woman in person. A slender, attractive British lady with an interesting heritage of Indian and Arabic. Anaya was very welcoming and immediately put me at ease within the initial period. I could not help but be fixated by her simmering, exotic appearance.

Upon showering and arriving back into the bedroom, I was completely seduced by this stunning young woman. She is very proactive and fully committed to ensuring that I had a great time in her company. Her pace, technique and energy levels certainly left me spent but her desire to please and her natural nature of taking initiative made the meeting very memorable. She has a great understanding of sensing what you like/ your desires during the meeting and was eager to test my stamina to the limits!

I thoroughly enjoyed my time with Anaya. Despite this initial meeting only being for 90 minutes, this sexy young lady is certainly worth a few repeat visits in future, especially for longer bookings. I can wholeheartedly recommend, a stunning lady with a fantastic attitude and a great appetite to engage in mutual pleasure aswell.
