The Premises:

Le Jeu Escorts is like nowhere else that I know of. A large modern house in the country with a swimming pool and Jaccussi. Very quiet and discrete. behind electrically operated gates. This establishment seems to get a never ending succession of beautiful young girls mainly from easter europe. Most of the girls are very new to the business which has both advantages and disadvantages

The Lady:

A stunningly attractive blonde czech girl quite tall (170cm) - even more so in her heels. Beautiful breasts with "puffy nipples". Very attractive and sexy.

The Story:

I never cease to have a good time at this establishment, it is very rare for them to have a poor girl. However Gaby is exceptional providing all of the services that I wanted and doing so in a way that made me feel special. I hope to see her again next week.
