The Story:

well i must say i did not know what to expect when sonya came into the room and wow i had made an excellent choice as you can never be sure as no reviews before today,just wonderful quite tall in her heels nice long blond hair and her eyes are so captivating just like her bum which i can not leave alone. sonya is new to mk but she has been an escort in paris for the past 3 years so knows her way around the bedroom started with owo just the way i like it and then we moved into 69 where i think she enjoyed as much as me her pussy was very responsive as i was drilling my tongue deep inside her for a good ten or so minutes until she began to buck but i would not stop and enjoyed her juices flowing into my mouth now on with the hood sonya on top and plenty of french kissing from the lady who worked in paris and a fantastic completion great time i would recommend a real top quality punt thanks baby kiss kiss andy see you again soon.
