### The Premises:

Lulu has a lovely flat located very close to Paddington station. It was clean very nice shower and her room was perfect.

### The Lady:

Lulu is around 5'6 tall, with amazing blonde curly hair. She has long perfect legs and C cup breasts. I would describe her as white Eastern European. She speaks perfect English. She looks exactly like her photos ( in fact even better I would say ) her skin has no tattoos and is perfect.

### The Story:

Lulu welcomed me with a lovely smile and a friendly kiss as I entered the flat. She offered me a drink , and showed me where the shower was. She made me feel welcomed and put me at ease straight away. After my shower she stripped naked after an amazing DFK and then we got down to action.

First was the OWO and DT. She gave me the best head of any girl I've seen in the last 12 months and trust me I've seen a lot. It was brilliant. Deep,fast, then slow, wanking my cock at the same time as licking my balls.Proper PSE in my opinion. She offered RIM but it's not my thing. All of this went on for 10 mins or so.

Then she got the condom on and sat on me and rode me for ages. I then needed to explode for round 1 so I moved her into doggy ( what a ass , what a view ) and pounded as hard and as fast as I could. All the time she was smiling , looking right at me, talking dirty, real GFE . I came so hard I nearly filled the condom. My toes where curleying up and my head was pounding, sweat dripping from my face!

She then cleaned me all up and we had a kiss and a cuddle , then she started having a lovely chat. All the time she was touching my balls, kissing me making me feel a million dollars.

Round 2. This time I took control. I licked her pussy until she came in my mouth , then I gave her hard missionary until she begged me to try anal !!!  
Is this girl for real? She really asked me to do it.....so I did...slowly at first as it was so so tight....then

when she guided me fully in I went for it big style. It was so tight I nearly came so quickly I had to stop myself. After a few perfect minutes in her ass I exploded all over her face and she looked like she loved the taste of my cum like no other escort I've ever seen.

Finally I had a shower to clean up only to find her laying on the bed playing with her pussy!

What a girl. Simply the best escort I've ever seen. No other words to describe the experience.
