### The Premises:

As described previously.

### The Lady:

I fancy her. She is hot. Perfect with her hair down, but she had it up today unfortunately.

### The Story:

I got out of the shower and she was standing there naked with her hands full of oil; my dick was stiffening rapidly and she obviously noticed. I recon i had 10 secs of lower back massage before she 'accidently' run a finger around my ass to my erotic parts. I gasped and lifted my hips up so she could gain full access to my solid dick and balls. The next 30 mins flew by with her teasing and massaging my hard dick. No body massage at all, just total focuss on getting me off. I loved it and I came between her oiled up boobs. Fantastic.
