The Premises:

Terraced house on busy main road with shops, a few minutes walk from Hounslow East tube station. Felt safe but not discrete especially at a fairly bright time of day. Place inside was ok, neat and went to a downstairs bedroom for the meet and greet with the 3 gals available.

The Lady:

20 something Spanish and Indian minx. Black shoulder length hair. Great boobs and big arse. Plump gal just what I wanted. The other 2 were blonde, smaller so opted for jasmine.

The Story:

As per usual, paperwork sorted went upstairs, chose a room out of the 2 available. Nothing special just usual bed, linen and towel. The back room seemed quieter. She up promptly, undressed and asked me to lay on bed where she proceeds to give me a body to body rubbing with her tits. No bad then seconds later she wants to cover and blow me half limp!

Ok not bad but the old man wasn't even ready to spring up to action, so I ask if she kisses lightly 20 extra or OK and how about owo ahh 40 extra.

I declined and let continue blowing it till I get hard then into mish and doggy to finish off. She gave me a 5 minute back massage then seems distracted to loud conversation going on downstairs. I ask if all is ok and she said no worries it's just a friend to one of the gals. I asked to use the toilet which is strangely located in the back of house past kitchen. I had met the "friend" who was friendly and civil as he distributed takeaway among the crew there.

Not a bad find, I guess if you want to drop your load in a quickie with young and pretty gals. If she would only relax and let me touch her body to my satisfaction but I guess you get only that for 50 but the extras were not vfm as I know better 150 an hour punts who give much much more.
