The Premises:

The parlour is a 10 minute walk from the town centre. The bed and shower facilities were very clean. The receptionist was very friendly and made me very welcome while waiting in the lounge.

The Lady:

Holly is a size 8, medium height with long blond hair, beautiful green eyes and a nice sexy ass. She looks likes she is in her early 30's. Her photos are very accurate.

The Story:

Holly entered the room wearing sexy black lace top, black lace knickers and black stockings. She welcomed me with some sensuous kissing and cuddling as we proceeded to the bed for more kissing and cuddling. Holly then attended to my cock with her tongue and mouth as she gave her legendary deep throat experience until I shot my load all over her face. Then followed more kissing and cuddling until I gave Holly some oral with my tongue on her beautiful wet pussy until she came. She then got her wand out and then pleasured herself to another couple of orgasms.

Holly then returned to tease my member back into action until I was hard again then we had sex in the mish position then I fucked her doggy style until I came again. We then spent the rest of the time chatting while laying next to each other.

Holly is a delightful person to spend time with. She seemed to enjoy spending time with me. I hope to see to her again in the near future.
