The Lady:

Short, well built with great tits. A happy lady with a good line of chat.

The Story:

I have to admit I was a little disappointed she appeared older than I expected. But those tits are something else! We lay on the bed while my cock stiffened and then she did a great job of OWO, before putting on a rubber and screwing like a good 'un! I pulled out before I came and we finished CIM. Pretty good but I don't think I will go with her again as I like the younger girls at Annabelle's.
