The Premises:

The Lady:

Stunning, leggy young black lady with shapely athletic figure and a great booty. Pictures don't even do her justice - particularly her shapely real boobs.

The Story:

Jade is the real deal. She found my place very easily and she can clearly hold a conversation. I was as horny as hell so it was a very quick introduction. She happily let me insert the little butt-plug I'd bought and wore the tight little pink pants I'd bought specially for the occasion.

And I started by fingering, nibbling and licking her through the pants and she got very interested very quickly - either she can fake brilliantly but when I started to finger her the jerky motions are hard to fake.

So on to her oral skills - which were simply fabulous. Wet, slow, fast whatever you can take she can deliver. I must admit I didn't fuck her for long because I was horny and with the butt-plug in she was tight. Which also meant we didn't try any anal but I'm certain it's on offer.

They'll definitely be a next time and more of what she has to offer.

If you like plain fucking delivered by a straight-talking girl she delivers.
