### The Premises:

Sheridans, not the prettiest area of town but clean and tidy, dedicated parking and discreet, showers and good sized rooms

### The Lady:

I normally prefer slim, petite and athletic with smallish boobs (anyone lucky enough to have met her think Harmony), anyone that is NOT eden think cute full figured (not fat) and mahoesive boobs. Been meaning to meet her for ages and am glad I did

### The Story:

Wasn't initially sure what to make of this place after it changed hands, as it had some stunners before - Chelsea Harmony and Jenni. Of late I've become a firm fan, all the girls are friendly and more importantly DIRTY and it really takes some beating from a value point of view - 2 girls £60 with out charging for many extras including OWO and kissing.

I do prefer the younger lady which can often be a let down as they either lack experience of know they "don't have to try too hard as they are gorgeous".

Onto Eden well what can I say, chatty, dirty, friendly, accomodating. I tend not to go for full service on my first visit as it gives me something to look forward to and boy am I looking forward to next time.

Big thanks to Nicola (shame she doesn't work) as I was held in traffic the first time I tried to get there to see Eden and she let her go so was offered a discount this time (Thanks) - I do prefer the 2 girl but only Eden was available and I'm glad I saw her alone as I got to know her (next time it will be a threesome). great service finished off with a dirty taking facial - as I said she is dirty enough but looks so innocent. Can't wait to see her again
