The Lady:

Olivia is a fairly pretty girl about 5'4". She is a little chubbier than she appears in her photos.

The Story:

I have been punting now for several years and the vast majority of girls I have met have been well intentioned and good at their job. My experience with Olivia was far from satisfactory. For starters the location is terrible. Not only is it down an alleyway but the house is a complete tip - this started to set alarm bells ringing but given that she claims to be a student I gave her the benefit of the doubt.

Upon arrival she asked me what I liked. I answered OWO for starters. "Do you like deepthroat?" Well yes! She then proceeded to perform the worst O I have ever experienced in a very lack luster manner. In fact you couldn't really call it O because she hardly even put it in her mouth, let alone deepthroat! In the end I decided it was probably best if I just jacked off. When I got close to cuming I asked if I could give her a facial. She replied "Sorry that is extra, you don't want to have to pay extra do you so why don't we just finish over my tits?" Nowhere on her profile does it show this as extra and in fact she states that she likes Bukkake as well! I said there is nothing on your profile about extras! But she was having none of it. Clearly she did not facials and at £160 for an hour I was not about to part with more money anyway. Rather than argue I just did as she asked but by then I was pretty much ready to leave as this girl was clearly not into this.

I can forgive someone for not being expertly skilled, or as pretty as they make out in their pictures but misrepresenting your services is completely dishonest. As a punter I am happy to pay that little bit extra for a really good punt but £160 was a complete con. This is the kind of service I would expect for £100. If you intend to see Olivia I suggest you make sure everything is agreed in advance and better yet take your custom to one of the other excellent providers in Nottingham.
