The Lady:

Short black dress with high heels, showed off Linzi's wonderful assets and gorgeous sexy body. Linzi is very friendly and spending time with her, it seems like you've known her for ages, very easy to chat to about anything but also very sexy and flirtatious. She is right up my street and I loved every minute. I didn't want to go with a fixed plan as I just wanted to let things flow naturally, all services on Linzi's profile were available. Great combination of gfe & pse from kissing to licking arse, perfect woman, I wish I could clone her and keep her all for myself.

The Story:

I emailed Linzi wondering when she was touring nearby, she responded that evening saying in a few days time. I was working late that day, but I couldn't turn down the opportunity. I was greeted with a nice kiss and I asked if I could have a shower to freshen up. When I got out, Linzi was sat on the end of the bed with a naughty look in her eye, I sat next to her and we started with a very passionate French kiss. I then lay back where Linzi started to slowly kiss all around my testicles, she started licking my arse with her amazing tongue and then began an amazing blow job. She said she loves this and it really does show, no going through the motions here. It was then my turn to pleasure her so I began licking her amazing pussy slowly, and going down to her arse, Linzi really enjoyed this and got very wet, more oral followed with some hard tittying before I suggested we 69, this looked amazing in the mirror next to the bed, Linzi then got on her knees and we started in doggy whilst Linzi was looking at me giving encouragement in the mirror, before I couldn't hold back any longer, we then got cleaned up and had a long chat and realised we have a lot in common. I will definitely book Linzi again and I strongly recommend her to anyone
