The Lady:

Gorgeous. Beautiful girl and when she smiles (which she does a lot) she is amazing. Very sexy and as far as I am concerned the perfect companion.

The Story:

One word sums it up. Fantastic. I normally only see ladies once as I like variety but Rachael has cured me of that particular trait. The whole hour was something over anything I have experienced in a long life. This was my 65th birthday present to myself and I am so grateful to myself for giving it - and even more grateful to Rachael for what she has given me!

Sorry guys. No more details- you'll just have to go and see her to find out why she is the best.

Thanks Rachael and see you soon. Xx
