The Premises:

Flat near Warren Street Underground Station.

The Lady:

5'3" tall, 34C slim efficient sexy Thai lady of a kind sexy seductive nature that might well make you feel quite the international man of mystery.

Gentle, kind, sexy, seductive and there is something of the mischievous minx who might just want to do something to you that you might never have cared to consider.

The Story:

It's always good to look up old friends they say, and Peace's inner beauty is something I could sit beneath and pay lip service to forever like some silver-tongued devil.

An hour passes so fleetingly in her company, but if you can't believe your own watch and those of the world at large how cynical would you have to be?

Peace always feels special to me, and loathe as I am to submit this field report, for only an insensitive fool would not wish to keep her all to himself, I know she deserves more than I could ever give, and so it goes. We would not be here were we so naive!

Time spent with Peace is a totally different head outside the realm of everyday mundane realities, so, give Peace a chance!

I've never regretted it...
