The Premises:

The X Lounge is a well known parlour very close to Leicester train station. Loads of parking nearby including the road it is on. Payment meters but £1 for 2 hours, so fairly cheap. No door fee here which is a bonus but suspect they charge the girls a bit extra to make up for it.

The Lady:

Tall dark haired lady with a fantastic body and tits. Aged probably late 30s. There is also a Lola at the sister parlour (lounge31 in Lutterworth), and pretty sure it is the same lady.

The Story:

Excellent half an hour. Like all the girls I have seen at the X Lounge, I would thoroughly recommend.

Basic massage to start. Lola is very bubbly and chatty, great personality. When it came down to the real business of the evening on when the cover. There was a nice bit of OW, (doesn't normally get me going too much, but she is great at it). She got on top so I could play with those wonderful tits, and finished off in doggy. Great punt and lovely lady.
