The Premises:

Used Temptations a fair number of times now. Very discreet, very clean and very friendly staff. Safe location with excellent on road parking. Good clean showers available and always offered a drink on arrival.

The Lady:

Lorna is of Portugese origin and has also lived in Germany. Her English is excellent and there was no problem at all communicating with her. She is a medium height lady with shoulder length dark hair, good looking and an excellent figure.

The Story:

I went to Temptations on this day to see my "regular" girl Naomi, only to find that she was not in work due to personal circumstances. I had intended an hour booking but decided, as I was there, to have a half hour with Lorna. I am glad I only booked a half hour and not an hour. Lorna came into the room and gave me a quick welcome peck and after a very brief chat about the traffic, as she had arrived late, she started things off by giving me oral, which I have to be honest was very good. However after about 5 or 6 minutes she asked me did I want the condom on. I told her "not yet" and suggested that I should give her oral. She was okay with this but before I started I tried to give her a kiss. BIG MISTAKE. I got a bollocking for my trouble. She told me she doesn't do kissing, only pecking, and I should have asked her before trying to kiss her. For me that was the booking over. It was a case of going through the motions after. I was frightened to touch her for fear of another bollocking. After I gave her oral she briefly gave me a bit more oral and then again said could she put the condom on. By this time I was so fed up I agreed and we had sex, cowgirl, reverse cowgirl and doggy. This brought the booking to an end. I had had 20 minutes, not the 30 minutes I had paid for. I could have booked 20 minutes to start with and saved myself £10. I have seen 5 girls at Temptations and never been rushed like this before or spoken to like this. Had it been my first time there I would certainly not be going back. As it is I will stick to the girls I know, but certainly never Lorna again. I really felt ripped off when I left. Thank God I only booked the half hour. Had I booked an hour and been treated like this I would have been fuming. God knows how long I would have actually got had I booked 20 minutes. Probably just enough time to say hello.
