The Premises:

3 storey building across the road from the main shopping centre , really easy parking and discreet enough not to be a problem. met at the door by a nice helpful lady who takes you to the room and offers you a drink. clean well furnished rooms.

The Lady:

Petite blonde, nice peachy bottom , small but lovely breasts , pretty underwear and black high heels, really friendly personality beautiful face.

The Story:

I love my Blondes and thought that Tanya looked just the type of girl I'd love to be with , as soon as she walked in I knew it was the right decision. She was charming , spoke great English and put me at ease despite the fact it was obvious I wanted to get going with her as soon as possible , she is a great kisser and after a brief massage gave me a sexy OWO taking time to lick the full length of my cock and balls.

I found the fact she had a little bush of pubic hair really sexy and enjoyed licking her lovely little pink pussy, I was dying to fuck her now so slid my cock inside with me on top so I could french kiss her , she's a good looking girl so this was really good. we then switched to doggy style and I got to hold her lovely bottom , before long I knew I was going to cum so asked Tanya if I could cum in her mouth , I was delighted when she said yes and flicked her tongue across the end of my cock until I shot my load into her mouth, this was like the best porno ever!

I can't wait to see this wonderful lady again, pure quality.
