fine

### The Lady:

it wasn't denisa. Denisa in the pic was has black hair and is very thin, this one had blonde hair and was not that thin.

### The Story:

I viewed the girl they had(having booked a time), but did not go ahead with seeing her.

I texted before to verify the height and weight, they were saying 165cm 50kg, the name of the girl they had was not denisa, and was quite a bit more than 50kg. The girl they had was not fat, was nice and friendly, but was over size 10, maybe a size 12. And the girl I was expecting was size 4/6/8. I was very clear in my texts about what I wanted, and instead of telling me she wasn't available, they said "yes" to my requests. It was a wasted journey. I did not go ahead with it.
