The Story:

I was in the shower as India walked in. She was full of energy and enthusiasm. I came out of the shower, dried off and was offered a massage. She began by working on my upper back with her hands. She then brought her leg over and started rubbing her pussy on my thigh, she brushed her boobs on my back and started kissing my neck. She licked down my back, and started touching my cock and balls. She started licking my balls and then down my legs. She offered owo at £10 extra, I obliged, and it was worth it. She sucked, licked, deep throated, wanked, she even licked my nipples, I asked if I could return the favour, she seemed overjoyed. I devoured that sweet pussy with my tongue while she sucked my cock and licked my balls. Eventually it was time to get on the hat and off we went for a ride, reverse cowgirl, I came in like 3 minutes. All in all, great experience. Will be back to see her again.
