The Premises:

Very cozy and small studio flat within 6 minute walking distance of South Kensington Station. The shower facilities are adequate, takes a minute or so to warm up but overall, a comfortable little flat.

The Lady:

Extremely attractive. A young, petite and slender brunette with mesmerising green eyes. Facially, one of the most beautiful ladies that I have seen with a fantastic figure to match. She has a friendly attitude with a very sweet disposition. Age and appearance of photos are very accurate.

The Story:

I have had the privilege of meeting Arabella previously (over a year ago) and it was a memorable experience. I had no doubt that this tie around would be no different and it is natural to say, I am very happy to report on a very positive experience.

First thing to point out, Arabella is absolutely gorgeous. Physically, I regard her as one of the most attractive ladies that I have had the privilege of spending time with and she is just pleasure and decadence in abundance. However, there is much more to her than just her physical beauty. It's Arabella's charming personality and adorable nature which additionally enhances the experience along with her open minded attitude. Such a willing desire to seduce and please, she is a very proactive and extremely skilled partner in bed. She truly takes the term 'Girlfriend Experience' to much deeper depths for me.

I cannot express enough positive superlatives, she is everything that I look for in a companion and although very young, she is exceptional and excels at what she does. She also possesses such an infectious personality that you can't help but wish to see her more often. She possesses that seamless GFE quality that is so hard and rare to find these days.

Needless to say, she is outstanding in my opinion and if it were in my capacity to see her more often, I would not hesitate to do so in an instance. I will most certainly repeat for overnights when timing and circumstances permit. I don't wish to run the risk of sounding cliché (always try to avoid doing so) but she is certainly exceptional to spend time with, one of those rare 'I forgot I was with an escort' experiences...there, I said it. I would wholeheartedly recommend.
