The Premises:

Debbies is a well known parlour near to Anerley train station. It has a discreet back entrance or the alternative of a plain front door on the main street.

The Lady:

Erica's photos and description on the web-site are genuine. She is pretty, in her early 30's and has been in UK for 10 years - so her English is excellent.

The Story:

Quite a while since I have been to Debbies where I usually would see Lara. When Erica entered the room I was not disappointed. A lovely looking girl who immediately gave me a proper kiss. I opted for the assisted shower. This is Debbies USP and is a superb idea. We stripped off and made our way to the shower. Erica started with DFK and then soaped up the old man which was already rock hard. She also went down on her knee and gave OWO. I was able to finger her and massage her lovely boobs. After about 10 mins we retired to the bedroom where Erica did a good oily back massage and once she discovered that I liked my ass touched did a prostate massage together with more enthusiastic OWO. I had to ask her to back off and suggested some RO - which seemed to enjoy. She has a lovely pussy which was rather tight.

We then moved onto CG and I finished in mish whilst we both enjoyed more DFK.

I had a wonderful time with a truly delightful, chatty lady who has a great attitude too. It was well worth the hour's journey from Central London to get to Anerley. Would I see Erica again? You bet! Highly recommended.
