The Premises:

Discrete entrance in busy shopping street, plenty of free parking around. Clean room with good bed and shower facilities. Friendly and welcoming staff

The Lady:

Pretty girl with sexy body. Petite, Eastern European (you'll have to meet her to find out exactly where), Late teens early 20's better than pictures all of which are natural and untouched

The Story:

Maya came into the room with matching bra and knickers. Straight from the off it was clear that I was the total centre of her attention. We started with some passionate kissing then off came our clothes and she dropped to her knees for some great OWO. On to the bed for more and 69 tasting her sweet body. On with the cover with Maya on top then we switched places - could hold back any longer for an earth shattering finish!

She is young but very mature and enjoys her work

Overall she is beautiful and attentive and we had a great time - she is a welcome change but only currently available on a Monday - would definitely return when the time allows. Highly recommended
