### The Premises:

discreet period building, with plenty of free parking within a few feet. Building is clean and spacious with nicely appointed massage rooms. Shower is "annoying" in that water turns off every 10 seconds

### The Lady:

Jayda is physically perfect...think of a Victoria Secrets model.....tall, leggy blonde, with a fantastic smile and amazingly friendly personality...her photo's on the site are good but nothing prepared me for the real person....total stunner

### The Story:

Jayda provided a very enjoyable back and shoulder massage to my required intensity.....then she provided a sensual massage that was beyond my wildest dreams and resulting in an earth shattering finale.....this was one of the best experiences of my life with a gorgeous, confident young lady.

I am not in this area very often but will be finding a reason to return very soon.....suggest you try the "Ego Experience" for yourself and with Jayda if you can ...I promise it will be a decision you will not regret...thanks Jayda, you made an old man very, very happy !!
