The Premises:

Very nice apartment close to Highcross shopping centre in Leicester. On street parking is limited so suggest you use the Highcross car park at £3 for 2 hours. The apartment is in a converted industrial building but is very well done. No issues with location, or her communication to find it. Bathroom and shower was first class.

The Lady:

Hungarian lady who speaks very good English. Mid to late 40s, and quite tall. Fantastic boobs. If you want to meet a lady in this age range then look no further.

The Story:

Kiara must have been waiting by the door as it opened before I had chance to knock. She was wearing not very much, but enough to give me a glimpse of what was to come. I was greeted with a nice kiss and led straight to the bedroom. I paid up front as usual but she didn't ask for the money, I had to offer. I needed a shower as I had been at work all morning. After a quick visit to the bathroom I went back to the bedroom and Kiara was waiting for me wearing the smallest of thongs only. Her boobs are awesome.

She started with a nice massage, which turned into OWO. She is very good at this guys! A few minutes later on went the cover and she sat astride me so I could play with her boobs. We switched to me on top later with the inevitable and really satisfying result. After resting for a few minutes I started to massage her and enjoyed some time playing with her pussy, which she seemed to enjoy.

I thought that would be it, but Kiara had other ideas. She got me hard again and put another cover on so we could have another go. Sadly my advancing years mean that cumming twice in a matter of minutes is a thing of the past, but boy did she try. She tried everything to get me to cum again, and I enjoyed myself thoroughly. I can not recommend Kiara more. I will definitely be back to see her again...
