The Premises:

Fyonas is a well established parlour in Coalville. Had read bad reports about the place, and there is no doubt that it could do with a lick of paint. The entrance is on a very busy road, (even on a Sunday when I went), but you can exit via a back door which comes out in an alleyway about 30 yards away. Once inside you reach a security door (which is a nice touch), and you have to be "buzzed" in. I opted for the single room, although 2 other more expensive rooms are available. The room was ok, but the bed left a lot to be desired. It really does need replacing.

The Lady:

Katie is lovely. Had the choice of Katie and a much younger lady (Ashley), Choose Katie as she was older, (about 30), and had bigger tits. She was very friendly, and wasn't wearing very much so I was in no doubt what I was going to get.!

The Story:

I started to undress when she arrived, and she made a joke about what she was wearing and slipped the strap of her dress over her head to reveal those beautiful tits. As soon as she got them out, she came over to me and gave me a lovely big kiss. I stripped off and she gave me a quick massage. I was happy that it was only a quick one as I was very keen to get down to business. She knew I wanted to play with those lovely soft tits, so she got over me and let me suck on them, which I did for ages. We changed between really nice DFK and me sucking her nipples for what seemed like a long time. She really enjoys kissing and it really made my visit much more enjoyable.

Katie provides most services, OWO and anal etc, but I just wanted sex, so on went the condom and I had a great time on top of her, snogging the whole time. I really enjoyed this experience and will for sure pay her another visit soon.
