The Premises:

Well established parlour, fairly discreet entrance, clean and well decorated , en suite shower in all rooms

The Lady:

Slim, attractive girl next door type, nice perky little titties, better in the flesh than her photos suggest, Pleasant demeanour and good company.

The Story:

Chose Kelly due to her photos and extensive service list, Phoned up and booked ,so did not meet the other girls.

I was not dissatisfied when meeting her for the first time in the flesh, and became instantly obvious she had a great attitude as we settled into a bout of standing DFK, I soon became weak at the knees and stripped her and we repaired to the bed. Kelly took the initiative and worked her way down my extensive body to a prolonged session of OWO, IN the end I had to stop her as I intended to fuck her later.

I turned her over to return the favour and give her some RO which was well received, On with the cover and standing at the edge of the bed I gave her a good fucking doggy style, on to cowgirl, then off with the cover to finish with prearranged CIM.

After a massage and well earned rest and a good old natter we brought the appointment to a conclusion just kissing and cuddling.

All in all Kelly is a top notch girl , who does everything she says on the tin, with a smile and wonderful attitude, Loved her to bits.
